

INDEX TO Most Comprehensive Warren Mi Area 30,000 page History page 22,001

rev Mar 2 2020 but am adding to it.

This index is being updated for the most comprehensive Warren and Center Line History.

The purpose is to preserve our local history and Freedom not to make money

ALL BOOKS ARE FREE

Books are mostly 100 pages each making them easy to save print bind and find. To find book number divide pages by 100.

Note: not included are a few new stones and Note gravestones in St Clement Cemetery and Warren Union are in A-Z order on their picture pages so are **not** indexed here. My latest research on shows around 1,000 named at Warren Union and 6,500 at St Clement Cemeteries.

Compiled by Professor Wesley E Arnold humanitarian educator from hundreds of interviews & sources.

This is now a community history archive to which anyone may add to. If you have historical knowledge, a remembrance, a person's story, family history, a correction and comments welcome. Send to wecare@dogoodforall.today and the information will be entered with your name as the source.

ALL BOOKS ARE FREE at

<http://dogoodforall.today>

This work has grown to require several regular DVDs. In 2018 it exceeded limit for one DVD so since most people do not care about individual grave stones or death records, I moved them to Disk 2. Since then it has grown more and is mostly up on the website so everyone can have access to it for free and can view, copy, print and even bind parts wanted. Although I hold the copyright on this work its purpose is for educational use and to preserve our local history. However it is not to be placed for commercial sale. The real Historical Societies may use it for funding if desired But all I ask is a citation as the source, no money.

Here are a few things I wish to draw attention to:

First is my little phamplet book which can save lives and is a very practical and useful booklet which is also free.

This little FREE book can save lives because it has important things not taught in school that young people need to know. It is positive, success oriented, warns about things that threaten lives such as drugs, negative thinking and not putting safety first. Download it for free from <http://dogoodforall.today> Or get it from Amazon Books for Kindle for 99¢ Easily goes on cellphone.

2020+ Creating A Better Future

Prof Wesley Arnold's other books all to save lives, Save our Freedom and help create better Life for All

The Easiest Language for Understanding between languages in 1/10 the time,

save lives 6000 entries with International Vocabulary.

Who's Who of Old Families Hundreds of old families listed here starts at page 12,001

Who's Who of Notable Individuals

of anyone who contributed to the betterment of our community past and present. Is on pages 17,001-21,999

You can be a part of this Community history project

Send me your research, family history biographies stories and images by email and I will put them in this archive and give you full credit. After my death the local historical societies will have to carry on this historical preservation work.

This is our community history. Please help improve it. Your comments are welcome

Yearbooks

Pages 7,001-9,999 and from 22,000- 30,000 are mostly yearbooks of almost every year of Busch, Centerline High School and St Clement HS and a few Warren schools. However I will not live long enough to copy all of all Warren Schools yearbooks so I am giving this baby to the Warren Historical Society.

The following picture shows Ideas our soldiers died for and what The American Way of Life should be in the future. This is something every young person should be taught. Partial solution to problems.

**We Support The American Way of Life which promotes:
Life, Liberty, Justice and the pursuit of Happiness for all
With rule of law under our U.S. Constitution.**

**With each person supporting themselves, family and
their community to best of their ability,
through individual Responsibility and Integrity.**

**Promotes: use of scientific knowledge, research and
discussion for solving problems rather than violence.**

**Promotes: Love, Kindness, consideration for all with
the expectation and code of conduct that
No one should bring harm to another by their actions
or inaction**

**and Actions should be based on Factual Truth,
not hearsay or uneducated opinion from obsolete past?**

**Does it pass the test of Truth based on all of the facts?
Is it how you would want to be treated?**

Humans should be Humane.

Note this index is still being worked on by my very old staff of me myself and I as time allows.

Note gravestones in St Clement Cemetery and Warren Union are in A-Z order on their picture pages so are **not**

indexed here. This would have been an additional 7,500 entries. Stones and death records are so large that they have to go on a separate DVD

NOTE LISTINGS DO NOT SHOW A PAGE NUMBER FOR the Who's Who or the Old Family books because they are being added to weekly and because they are already in alphabetical order.

The page range is pages **p12,001-16,999 Who's Who of Old Families** and **17,001-21,999 for the Who's Who of Individuals**

I have copied Every Center Line, Busch and St Clement Yearbook from every class thru (modern spelling)-2018.

The following shows: **SUBJECT PAGE NUMBER** or location in Alphabetized works.

This bigger Quick finder is first to save you time

This is a colorful Quick Finder index of most commonly asked for items from mostly the first 300 summary pages plus important subjects from the archive. The full Index follows. These are all in a state of being improved which takes time because of our very old and limited staff of Me, Myself, I and our complaint secretary who listens to complaints as she **licks between her toes.** 😊 The Archive Index is monotone so you can quickly tell the two indexes apart. If you are looking for a general topic or something in the first 300 summary books look in the Quick finder first. Everything else follows in the big monotone Archive, Who's Who and cemetery Index.

Yearbooks I have copied every page of every Center Line, Busch and St Clement yearbook for every class. They will be put on DVDs or other storage indexed by

school and year. I will not live long enough to copy the Warren yearbooks. That amounts to an additional **15,660 pages** and of course each page has many fotos on it. Yearbooks show not only pictures of kids but are also a snapshot of the local community.

THE PURPOSE IS TO PRESERVE OUR LOCAL HISTORY and OUR FREEDOMS.

ALMOST EVERYTHING LISTED IS AVAILABLE FREE TO YOU AT warrenhistory.us OR dogoodforall.today

I have not paid extra money to put encryption on these sites as there is no money being exchanged only your viewing and downloading of PDF files. Everything is virus free. Ignore the warning that the site is not secure as it is fine for the above use and is virus free.

All items from the summary pages (the first 300 pages) are in the Quick Finder above (and not yet in the Index below.)

Here is the Archive Who's Who and Cemetery Index which shows all known burials in Warren Union and St Clement Cemeteries and those listed in the extensive Who's Who of Warren and Center Line Notables. All of which is soon going to Library of Congress, Universities and other Archives. I am seeking volunteers to index Detroit Memorial Cemetery because I will not live long enough to do it. Also DMC is not a pioneer cemetery with just a few exceptions which I am gathering. Like Mr. McCoy of "The real McCoy." etc.

 Frank R Sellors **Deceased Unverified** Class of 1980 03/28/1962 -
 June 8, 2012 after a courageous battle with ALS (Lou Gehrig's
 Disease). Age 50. Beloved husband of Rena (nee Yacos). Proud
 and loving father of Anthony, Andrew, and Anjalee. Dear son of

Frank and Clara (nee Santilli), and brother of Linda (Tim) McNelis, John (Connie Johnston), and Toni (Scott) Ayers. Loving uncle of Terese, Michelle, and Tom McNelis, Sean and Jacob Sellors, and Brianna and Olivia Ayers. Also survived by many loving cousins, and friends. Frank loved soccer; he began playing at age 10, was an "All American" during his days at Sienna Heights College, and was a respected coach, working with such teams as the Metro Stars, and the Carpathia and Vardar Clubs. Frank's family wishes to thank the Bardor Soccer Club, the parishoners of St. Donald Catholic Church, and the Secenarese Club of America for their financial support. A memorial Mass will be held at noon on Friday, June 15th at St. Donald Catholic Church, 16330 12 Mile Rd. (E. of Groesbeck). The family will receive visitors from 10am until the time of Mass at the church. Please share memories with the family at their "On-Line Guestbook" at WujekCalcaterra.com

 McPherson, Helena Ann Bachand CLHS 1973 **Deceased**
Unverified 7/19/55-10/08/11 ag 56, died Oct. 8 at Hospice of Northwest Ohio after courageously battling breast cancer. She was born in Highland Park, MI on July 19, 1955 to Macle and Ernest Bachand. On Dec. 24, 1975 she married her best friend and soul mate Ronald E. McPherson. Helena was a passionate social worker at the Department of Human Services, where she devoted her life to helping families in need. She cherished time spent with family and friends and enjoyed reading, knitting, fitness, and volunteering for Susan G. Komen for the Cure. Many people described her as being the nicest person they had ever met. She is survived by her husband Ron, son Joshua, daughter-in-law Mindy, daughter Rebekah, and son-in-law Bret Ingraham. Helena was preceded in death by her parents and her brother Arthur ("Bucky"). Just like she lived, Helena wanted a celebration in place of a standard funeral. A casual "celebration of life" will be held at the Ward Pavilion at Wildwood Metropark in Toledo, OH on Sunday, Oct. 23 from noon to 4 p.m. A picnic lunch will be served. In lieu of flowers, loved ones are asked to make a memorial donation. Helena strongly supported Susan G. Komen of Northwest Ohio but she would have wanted you to donate to a charity of your choice. Arrangements entrusted to Bedford Funeral Chapel 8300 Lewis Avenue, Temperance, MI. Online condolences may be shared at www.bedfordfuneralchapel.com.

 Poslajko, Steve **Deceased Unverified** May 18, 2010-Aug 18, 2010 from a fast and aggressive cancer at his home in Troy on May 18, 2010. 51 years old. He loved his work at Chrysler, had an incredible work ethic and took great pride in his work as a precision toolmaker. Steve loved all his dear friends. Some were kids from the old neighborhood, some work pals, some golf buddies, others that just gravitated toward his warm nature and great sense of humor...Steve was the king of one liners. He adored dogs and his nieces and nephews. Steve was an avid fan of sports. He played hockey, baseball and golf with the passion and competitiveness of a professional athlete. Golf became his favorite and he was really a gifted golfer (he hit two hole in ones in his life). Steve loved classic cars and joked that his best relationship was with his 1968 Dodge Charger. Steve was a magnificent person, proof that ordinary people can live extraordinary lives. He was loved beyond measure and his friends and family will miss him with all our hearts, every day, until we see him again. CLHS 1976
