There is a clandestine army of thousands here working secretly with the end goal of taking over our country, your town, confiscate your property (legally by their law) and subjugate you into working for them and if you resist you will be killed your wife and kids put into slavery. Think this can't happen? Investigate what is happening around the world. Look at Africa now. Oh you say it would be in the news. But did you know that they already have control of the news media to a large extent. Why do you think you rarely hear of Christians being killed but every little complaint of Muslims is aired? These pages are references for a little booklet entitled **The Stealth Cult that is a growing threat to your family** with references and what to do about it.

Get one of these little booklets and read it for the safety of your family.

Christian Legacy vs Muslim Legacy Muslims want to escape to C Countries, Muslims want to escape from theirs. An astonishing **70% of the world's refugees are Muslims** usually **seeking to live in Christian-based** countries.

C International charities. M International terror organizations.

C Supply of aid workers. M Murder of aid workers.

C All have Religious freedom. M Christians killed for blasphemy.

C Abolition in the name of Christianity. M Modern: day slavery in the name of Islam.

C No terrorism. Christians encourage members of all religions to Treat others as you would want to be treated yourself. M murder many Christian clerics each year, and Daily religious violence against non Ms

Most famous Christian: The Pope. Preaches Love, Kindness and forgiveness. The Golden rule is the most accepted rule of human morality and is a part of the teachings of most religions. Confucius stated it as follows: "What you wouldn't want done to yourself don't do to others." Socrates put it in the form of the Silver rule "Don't do to others what you would not want done to you," None of these is found in the Quran.

Most famous Muslim: Osama bin Laden. Killed 3,000 in 9:11 attack and more in other attacks and bombings.

M Demanded the protection of armed bodyguards, even in a house of worship (Quran 4:102)

Muslim clerics in the West do not fear for their safety as do their Christian counterparts.

Innocent people have even been **hacked to death** by **devout** Muslims **over cartoons**. Neither is there any significant deadly terrorism in the name of Jesus, as there is in the stated cause of Allah each and every day.

Bibliography

For Christian sources: The Christian New Testament , Especially the Gospels of Matthew, Mark, Luke and John

Here are the most accurate sources for Islam: of course The Quran itself see for yourself after book list.

The best Biographies of Mohammad are: Ibn Ishaq and Sahih Muslim Note Wikipedia has been forced to omit much negative material in their biography so instead look at "Military career of Muhammad" Also see List of Muhammad's Wives and Concubines, Also see Spread of Islam, and BBC Also do a Google search on "Slavery in Islam" and "Criticism of Muhammad" Best to take a look at Slavery as Islam was the biggest seller of slaves throughout history. I have taken many religion classes, some at college level from Harvard and others.

Also the Islamic holy books themselves contain good source of Muhammad's actions. Most of their cult is based on the idea that Mohammad was the perfect example. It is their way and law.

Sahih Al:Bukhari and the many Hadiths (hundreds of pages)

Important note

WHAT IS IMPORTANT IS THEIR ACTIONS TO PEOPLE OUTSIDE OF THEIR CULT AND TO PEOPLE IN THEIR CULT WHO CANNOT ESCAPE who may SUFFER LOSS OF HUMAN RIGHTS and to those wanting out who are often killed. Little girls for example who are forced to be an older man's sex toy and slave are deprived of education and human rights. Because this is a world domination cult they will kill and have killed anyone in their way and anyone who does not accept Muhammad. Now totaling 270 million people. And 10,000 Americans

First and most important while the practices within their cult may be shocking and devoid of human rights what they do in their group is their life and business. This is a cult masquerading as a religion since they recite verses and follow Mohammad rather than God this is 99% cult and 1% guise of a religion. What little they do as far as religion is of no consequence to outsiders except for their mindless brainwashing 40 times a day to follow Allah by following Muhammad's example of killing. Many jihadis are not exceptionally cruel people they are just following the commands in the Quran Q9:5 and the example of Muhammad B 1:25 and assuring themselves a place in Paradise. The word kill and its synonyms appear in the Quran and Hadith over 24,400 times. Jihad is their most sacred duty and is obligatory for all M men and considered a communal obligation by M law ISL o9.1. I have the law book.

Attacks on Individuals

Something that has been often overlooked is personal attacks on individuals. College professors who may have made an offhand remark that a jihadi in his class did not like have been physically attacked or fired after a campaign of misinformation was put out about them.

Taslina Nasrin 32 a feminist writer in Bangladesh had to go into hiding because of a false attacks claiming she blasphemed by stating that the Quran should be revised which she did not do. The attacks continued and someone with money put out a reward for her assassination. She got arrested and jailed on false charges.

There are hundreds of others that a jihadi did not like or though he heard a negative remark about Muhammad or read on social media that someone had said something all without proof and other some other vigilante jihadi saw the posting on social media and decided to kill or terrorize the innocent victim. Of course in Islamic countries this often means death to the victim but increasingly here in America people are getting threats.

I have received one threat that told me I would die of a fatal accident. I am being very careful. I am not a coward and am standing doing what is right and will continue to give out this important information regardless. So if you hear of my demise by anything other than disease you will know they got to me.

Below are their actual laws and practices today worldwide

Accepted practice of Muslim Law worldwide. Don't believe it when they deny this. Below is the accepted worldwide practice. They will accuse you of ignorance, of being a hater, of being a vigilante and they will try to change the subject. Bring up the crusades which were delayed response to Muslim invasions. ISLk32 **Slavery is legal and always will be because Muhammad set the example.** He had slaves and did not free them. He also had sex with them and encouraged his men to keep slaves and have sex with them. He set God's example of Islam's policy on slavery. Muslim countries today have thousands of slaves especially child brides (little girls some only 8 years old) who are virtual slaves. Do a Google search on"child Brides" read UNICEF, PBS, New York Times reports.

Rape of female slaves OK Bukhari life of Md 62:137

A 33:50 may have wives whom you gave dowries, and those your right hand possess, and prisoners of war, Md Ordered a slave to build the very pulpit from which he preached Islam. (Bukhari 47:743)

D 8:31 **One fifth of any spoils go to the Apostle (Muhammad)**

P8:1 P 8:41 whenever ye seize anything as spoil one fifth to Allah an his apostle

Speaking of spoils It seems Allah took special interest in Md's sex life and gave him special privileges wasn't that nice of God to do, as if several wives a child bride and a harem were not enough.

Qur'an (33:50) : "O Prophet! surely We have made lawful to you your wives whom you have given their dowries, and those whom your right hand possesses out of those whom Allah has given to you as prisoners of war, and the daughters of your paternal uncles and the daughters of your paternal aunts, and the daughters of your maternal uncles and the daughters of your maternal aunts who fled with you; and a believing woman if she gave herself to the Prophet, if the Prophet desired

to marry her:: specially for you, not for the (rest of) believers; We know what We have ordained for them concerning their wives and those whom their right hands possess in order that no blame may attach to you; " This is another special command that Muhammad handed down to himself that allows virtually unlimited sex, divinely sanctioned by Allah. One assumes that this "revelation" was meant to assuage some sort of disgruntlement in the community over Muhammad's hedonism.

MUST OBEY IMAM 4:59

Bukhari (5:268) : *"The Prophet used to visit all his wives in a round, during the day and night and they were eleven in number." I asked Anas, 'Had the Prophet the strength for it?' Anas replied, 'We used to say that the Prophet was given the strength of thirty men.' "*

Each year, thousands of Christian homes and churches are torched or bombed by Muslim mobs, and hundreds of Christians, including dozens of priests, pastors, nuns and other church workers are murdered at the hands of jihadis.

We see that Golden Rule, Do only as you would want to be done to yourself applied to all mankind is not in the Quran or anywhere else in Islam. By Md's example and by the verses on killing above we can see that this is true. "If then anyone transgresses the prohibition against you, Transgress ye likewise against him" (Quran 2:194)

The words '**torture**' and '**punishment**' appear **six times** more often in the Quran than in the New Testament. The word '**love**' appears **five times more often** in the **New Testament** than than in the Quran, The Quran contains not a single original moral value.

Most Muslims are ignorant of the practices of their cult and of the real history of Muhammad.

They will deny the above and say that it is not Islam, but it really is. Remember they are only to read the Quran in Arabic which most do not speak and also note that they have to abide by American laws until they gain a majority then their Sharia law takes over. To verify the above just look at actions in places where they have a majority Iran, Iraq Pakistan and active areas like Africa to see how girls, women and non believers are really treated.

If you take time to check, you can verify everything stated above and you will see it is actual and factual. They will accuse you of ignorance, of being a hater, of being a vigilante and they will try to change the subject. These are all methods of denying the facts. They cover up the truth. They support bombing, killing, rape and are against US Constitution and are anti women and human rights and Freedom for all.

Question Does God need an archaic book full of imperfections and trivia to speak to you or does he already give you the capacity to determine right from wrong for yourself?

However, what about the faithful M who has brainwashed himself for years 40 times a day to submit to the will of Allah and is given an order by his Imam to kill. Example There was a monastery in a M country who had a faithful servant who was a well-liked M man who was friendly and was good worker. One day he came in very sad and stated My Imam has told me that all Infidels must be killed but don't worry I will kill you so you will not feel pain. Here is an ordinary man whose is commanded to do something he does not want to do but feels he must because it is a command of Allah. The Ms have jihadis that would be glad to handle this situation so a passive person would most likely not be given that order. A local jihadi would do the dirty work instead. There are millions of ordinary Ms all over who may be ordered told to vote, or protest, or boycott or riot or burn go to a city council meeting, pray in the street etc. Due to the fact that many citizens are uninformed and unactive in civic affairs even a small minority of Ms can put huge pressure on civic officials for actions they want. Let's say they want an anti hate speech law passed. Sounds good but it is really a ruse to stop criticism of Islam. Most people would vote for it because like it sounds like a good idea little realizing that hinders freedom of speech and speeds up an Islamic take over. Of course weak public officials can also be bribed, or threatened. Many people take the easiest and safest route. Many are not brave, and many are cowards. And also we have news media who are on the Saudi payroll or have M bosses who are not telling the officials and public what is going on. Which is dangerous in that stealth jihad actions are happening all of the time and are not reported. That is how they will probably take over our country. History teaches that determined minorities have accomplished goals over silent majorities, in our case of citizens who are too busy watching games, or TV or shopping than to bother themselves with civic matters. And that goes even more for young people busy working, playing or talking on their smart fones.

Recruiting

They have a massive Saudi financed multimillion-dollar propaganda campaign in America. They are also building mosques all around the world over 1000 in America. They are also building schools although mosques are the main hub in a community for teaching about Islam. Some of these are multi million-dollar buildings. They have also established Islamic centers at in some of Americas most famous schools like Harvard. They are putting out literature and Qurans that paint a one-sided view of Islam with half truths omitting their actual practices on the treatment of women and non-Ms. They put out a Westernized polished up picture is Islam that makes it attractive to the group they are targeting. They may offer money, social contacts, jobs, security (especially in prisons where you may not get out alive if you don't convert.) and to youth and women. Often the women find out too late that they are marrying Muhammad and have become a slave.. They also have given money to The Nation of Islam because of efforts by Louis Farrakhan who got Gaddafi to pledge a billion dollars to spread Islam in America. The Saudis also fund terrorist organizations. So they are also spreading terror which sometimes destabilizes governments. The Russians are also not immune to terrorist attacks. Jihadis attacked a school in Beslan taking over 1000 hostages many of which were students. It took the Russian army to end it with over 300 killed many of which were students because of actions of the terrorists who often use hostages as shields. The jihadis

have attacked hotels, embassies, and subway stations and many markets and shopping areas and tourist attractions other public areas so they can kill and terrorize as many non-Muslims as possible. Terror sometimes works and people cave in because they are afraid.

Here are references proving facts in Stealth Cult booklet.

1 We are specifically talking about jihadists around the world and in America. A jihadi or jihadist is one who supports violent action to spread Islam.

These riots involved youth of predominantly African, North African, and Arab heritage in violent attacks, and the burning of cars and public buildings. Wikipedia

The unrest started on 27 October at Clichy-sous-Bois, where police were investigating a reported break-in at a building site, and a group of local youths scattered in order to avoid interrogation. Three of them hid in an electricity substation where two died from electrocution, resulting in a power blackout. (It was not established whether police had suspected these individuals or a different group, wanted on separate charges.) The incident ignited rising tensions about youth unemployment and police harassment in the poorer housing estates, and there followed three weeks of rioting throughout France. A state of emergency was declared on 8 November, later extended for three weeks. Wikipedia

The riots resulted in **more than 8,000 vehicles being burned** by the rioters and more than 2,760 individuals arrested.[6] The riots resumed again the following year and in 2017.

Of those, 197 were from the Middle East and North Africa, with 45 coming from Afghanistan, and 134 from Southern Africa.[11] "We are very clear in the program that it is a small percentage of the people coming from abroad who are convicted of rape," chief editor Ulf Johansson told the BBC News.[11][12] Swedish Television's investigating journalists found that in cases where the victims didn't know the attackers, the proportion of foreign: born sex offenders was more than 80%.[12]

The number of rapes reported to the authorities in Sweden significantly increased[4] by 10% in 2017,[13][14] according to latest preliminary figures from the Swedish National Council for Crime Prevention.[13][14] The number of reported rape cases was 73 per 100,000 citizens in 2017, up 24% in the past decade.[14] Official numbers show that the incidence of sexual offences is on the rise;[4][12][14] the Swedish Government has declared that young women are facing the greatest risks and that most of the cases go unreported.[4] Wikipedia

31 The leader of Iran put out a fatwa which is as kill order backed by money against Salman Rushdie who made a film exposing woman abuse. The publication of *The Satanic Verses* in September 1988 caused immediate controversy in the Islamic world because of what was seen by some to be an irreverent depiction of Muhammad. The title refers to a disputed Muslim tradition that is related in the book. According to this tradition, Muhammad (Mahound in the book) added verses (Ayah) to the Qur'an accepting three goddesses who used to be worshipped in Mecca as divine beings. According to the legend, Muhammad later revoked the verses, saying the devil tempted him to utter these lines to appease the Meccans (hence the "Satanic" verses). However, the narrator reveals to the reader that these disputed verses were actually from the mouth of the Archangel Gabriel. The book was banned in many countries with large Muslim communities (13 in total: Iran, India, Bangladesh, Sudan, South Africa, Sri Lanka, Kenya, Thailand, Tanzania, Indonesia, Singapore, Venezuela, and Pakistan).

In response to the protests, on 22 January 1989 Rushdie published a column in *The Observer* that called Muhammad "one of the great geniuses of world history," but noted that Islamic doctrine holds Muhammad to be human, and in no way perfect. He held that the novel is not "an anti-religious novel. It is, however, an attempt to write about migration, its stresses and transformations."^[54]

On 14 February 1989—Valentine's Day, and also the day of his close friend Bruce Chatwin's funeral—a fatwā ordering Rushdie's execution was proclaimed on Radio Tehran by Ayatollah Khomeini, the spiritual leader of Iran at the time, calling the book "blasphemous against Islam". (Chapter IV of the book depicts the character of an Imam in exile who returns to incite revolt from the people of his country with no regard for their safety.) A bounty was offered for Rushdie's death,^[55] and he was thus forced to live under police protection for several years.^[55] On 7 March 1989, the United Kingdom and Iran broke diplomatic relations over the Rushdie controversy.^[56]

When, on BBC Radio 4, he was asked for a response to the threat, Rushdie said, "Frankly, I wish I had written a more critical book," and "I'm very sad that it should have happened. It's not true that this book is a blasphemy against Islam. Wikipedia

White Slaves (Source Dr Bill Warner Course on Political Islam)

For 1400 years—until the slave market was officially closed in the early 1960s—the highest priced slave in Mecca was the white woman. The price of a white slave girl was from three to ten times that of a black girl. When Islam invaded Spain, the first thing exported back to Islamic North Africa was a thousand blond-haired girls. Our word for slave comes from the Slavs of eastern Europe. So many of them were taken by the Muslims of the Ottoman Empire that the very term Slav came to mean slave. And black slaves were so numerous that the term *abd* came to mean black or African. Muslims called the white slaves *mamluk*.

101 There is **more slavery now than ever before. Slavery and enslavement** are the state and condition of being a **slave**,^{[1][2]} who is someone forbidden to quit their service to another person and is treated like property.^[3] Slavery relies heavily on the enslaved person being intimidated either by the threat of violence or some other method of abuse. In chattel slavery, the enslaved person is legally rendered the **personal property** (chattel) of the slave owner. In economics, the term *de facto slavery* describes the conditions of **unfree labour** and **forced labour** that most slaves endure.^[4] In the course of human history, slavery was often a feature of civilisation^[5] and legal in most societies, but is now **outlawed** in all countries of the world, except as punishment for crime.^{[6][7]}

In 2019, approximately 40 million people, of whom 26 percent were children, were enslaved throughout the world despite it being illegal. In the modern world, more than 50 percent of enslaved people provide **forced labor**, usually in the factories and sweatshops of the **private sector** of a country's economy.^[8] In the industrialised countries, **human trafficking** is the modern variety of slavery; in the unindustrialised countries, enslavement by **debt bondage** is a common form of enslaving a person,^[4] such as captive **domestic servants**, **forced marriage**, and **child soldiers**.^[9] **Wikipedia**

Black Slaves About 11 million slaves were shipped across the Atlantic, and 14 million were sent to the Islamic nations of North Africa and the Middle East¹ **For every slave captured, many others died.** Estimates of this collateral damage vary. The renowned missionary David Livingstone estimated that for every slave who reached the plantation, five others died by being killed in the raid or died on the forced march from illness and privation². Those who were left behind were the very young, the weak, the sick and the old. These soon died since the main providers had been killed or enslaved. So, for 25 million slaves delivered to the market, we have the death of about 120 million people. Islam ran the wholesale slave trade in Africa from the time of Mohammed. (Source Dr Bill Warner Course on Political Islam) See Muslim Barbary pirates Wikipedia and see slavery In 2019, approximately 40 million people, of whom 26 percent were children, were enslaved throughout the world despite it being illegal.

Theft Taking the wealth of the Kafir is sanctioned by the Koran as the legalization of booty. Bukhari 1,7,331 [...] The booty of war has been made lawful for me yet it was not lawful for anyone else before me. [...]

RAPE(Source Dr Bill Warner Course on Political Islam)

The rape of women after jihad is a constant in the Hadith and the Sira. Here we see that at first the jihadists were reluctant to rape the captive women because of their husbands being nearby. But the Koran established that it was not immoral even if they had husbands. Muslim 008, 3432 Mohammed sent an army to Autas and encountered the enemy and fought with them. Having overcome them and taken them captives, the Companions seemed to refrain from raping captive women because of their husbands being polytheists. Then Allah, Most High, sent down regarding that: "And women already married, except those whom your right hands possess² (iv. 24)" (i. e. they were lawful for them when their menstrual period came to an end). Raping women is used in jihad because it works as a tactic of war. It spreads shame among the Kafir men and women and it begins the process of subjugating the Kafir women. In short, it teaches everybody their place in Islam—submission.

Everyday life in Islam (Source Dr Bill Warner Course on Political Islam)

The following verses are repeated daily by every Muslim. The first four verses are a standard piety. But notice that verse 5 says that the Jews anger Allah and that the Christians are wrong. Koran 1:1 In the Name of Allah, the Compassionate, the Merciful.
1:2 Praise be to Allah, Lord of the worlds. The Compassionate, the Merciful. King of the Judgment Day. 1:5 Only You do we worship, and to You alone do we ask for help. Keep us on the straight and narrow path. The path of those that You favor; not the path of those who anger You [the Jews] nor the path of those who go astray [the Christians].

Ahmad Ibn Naqib Al: Misri, *The Reliance of the Traveller, A Classic Manual of Islamic Sacred Law* (Amana Publications, 1994).

The right hand is the sword hand. The phrase comes from the Koran.

PREDESTINATION In more than one interview Ms told me that things were predestined.

The Koran is a dualistic text. (Source Dr Bill Warner Course on Political Islam) Allah constantly admonishes the world to do what Mohammed says. But then it also says again and again that Allah causes men to err. Koran 42:44 Whomever Allah sends astray will no longer have a protector. Koran 6:25 Some among them listen to you [Mohammed], but We have cast veils over their hearts and a heaviness to their ears so that they cannot understand our signs [the Koran].

ABROGATION (Source Dr Bill Warner Course on Political Islam)

The Koran contradicts itself. When verses contradict, then the later verses are to be used. However, the earlier verses can still be used, since the later verses are better, but the earlier verses are still true. This abrogation is at the root of the dualistic nature of the Koran.

Koran 2:106 Whatever of Our revelations We repeal or cause to be forgotten, We will replace with something superior or comparable. [There are as many as **225 verses** of the Koran that are **altered by later verses**, abrogation.] Koran 5:33 The only reward for those who war against Allah and His messengers and strive to commit mischief on the earth is that they will be slain or crucified, have their alternate hands and feet cut off, or be banished from the land. This will be their disgrace in this world, and a great torment shall be theirs in the next except those who repent before you overpower them. Know that Allah is forgiving and merciful. Thus Koran 5:32 does not abjure violence, instead it makes clear that anyone opposing Islam will be killed, crucified, mutilated, or banished.

Here is another example of dualism. Sura 109 sounds just wonderfully tolerant: Koran 109:1 Say: Oh you Kafirs! I do not worship what you worship, and you do not worship what I worship. I will never worship what you worship, and you will never worship what I worship. You to your religion, me to my religion.

But here we have a later verse that abrogates it (Sura 9 is the last sura): Koran 9:123 Believers, fight the Kafirs who are near you, and let them find you to be tough and hard. Know that Allah is with those who guard against evil.

So Islam uses the “good” verses when needed, but always has a secret weapon, the “bad” verses, hidden for use when needed.

SUBMISSION AND DUALITY Islam is based upon two principles—submission and duality. All of the world’s civilizations, cultures and political systems must submit to Islam. • Duality means that Islam always divides everything in two. It also holds two contradictory positions on nearly every topic. Even though the ideas contradict, they are both true. • Submission means that Islam must dominate all aspects of humanity. Art, literature, education, customs, food, law and every other aspect of being a human must be done in the way of Islam. (Source Dr Bill Warner Course on Political Islam) **SUBMISSION** “Islam” is an Arabic word that means submission. Koran 9:29 Make war on those who have received the Scriptures [Jews and Christians] but do not believe in Allah or in the Last Day. They do not forbid what Allah and His Messenger have forbidden. The Christians and Jews do not follow the religion of truth until they submit and pay the poll tax [jizya], and they are humiliated. Islam means submission and then there is peace. Inside Islam women must submit to the males. Outside Islam, the Kafirs must submit. Islam’s doctrine of slavery is based upon submission. (Source Dr Bill Warner Course on Political Islam)

• **Jihad has killed over 60,000,000 Christians.** • Islam attacked the **Christians of Smyrna in 1922. It was an annihilation** that took place as the Americans and Europeans stood aside.

All of the history of Islam is based upon submission and duality. (Source Dr Bill Warner Course on Political Islam) Before jihad exploded out of Arabia, Turkey (Asia Minor) was a Christian nation of primarily Greek culture called Anatolia. Today Turkey is

99.7% Islamic and increasing. How did this happen?

Islam tried for centuries to crush Christianity and the Greek culture in

Turkey. Constantinople, the capital, fell to jihad in 1453. Christians became dhimmis, second-class citizens. The slow grind of discrimination was punctuated by outbursts of violence. Christian Greek Anatolia was painfully changed into Islamic Turkey

America wanted trade and influence. The war had brought about new technology and a fusion between industry and government. A concept called Dollar Diplomacy was practiced. Trade and diplomacy became two ends of the same stick. To show how far this concept went, the American ambassador took the funds that had been raised by Christians to help the Armenians persecuted in northern Turkey and gave it to the Turks. When the Christians protested to the media, the media would not report it because of State department pressure. The Muslim Turks killed both Greeks and Armenians that day, but this lesson will focus on the murder and theft of the Armenians. Armenia was one of the first Christian nations and has suffered monstrously at the hands of Islam. Armenia was well educated and prosperous and had always been especially despised by Islam. Over a million Armenians were killed in Turkey in the 20th century. As you read this story of the destruction of Smyrna, know that this same story is repeated today by the same players and with the same results.

KILLING THE CHRISTIAN LEADER (Source Dr Bill Warner Course on Political Islam)

Chrysostomos was the leader of the Orthodox Christians and went to see the local commanding officer to try to arrange the evacuation of Christians. He approached the general and extended his hand. The general spit on him. He pushed Chrysostomos out the door and yelled at the Muslim crowd, "Treat him as he deserves." The crowd dragged him down the street until they reached a barbershop. Chrysostomos needed a shave the crowd decided. They pulled his beard out and rubbed dog excrement on him. The man with the straight razor cut off an ear and, at the sight of blood, the mob went mad trying to get close to Chrysostomos, who was barely able to murmur, "Receive my soul into Thy Kingdom, O Lord," before he died. They cut out his eyes, ears and nose. There were French marines standing by and their officer forbade them to defend the Christian. The body was dragged further down the street, when they stopped and cut off his penis and put it in his dead mouth. Lieutenant Merrill, an American, wrote to Admiral Bristol (the top American official in Turkey) that, "No one could imagine without seeing them under fire what a chicken-livered lot the Christian minorities (Greek and Armenian) are."¹ Major Davis of the Red Cross cabled Admiral Bristol that the refugees must be evacuated. The Turks were going to solve their "race" problem by annihilation.

The American consul was exhausted. He was constantly besieged by Armenians who told the same story of murder and theft. Captain Hepburn sent for the Turkish army to drive them away from the Consulate. The news reporters did not want to tell the world about the genocide so they dug up some old stories how the Greek Orthodox Christian soldiers had committed wrongs against the Turks.

They were desperate for something to offset the destruction of jihad. And they did. The news wires were filled with reports of Greeks and Armenians looting before the Turkish troops arrived. But not everyone lied: A French officer noted on 13 September: 'In three days this rich quarter is entirely ravaged. The streets are heaped with mattresses, broken furniture, glass, torn paintings. Some young women and girls, especially pretty ones, have been taken away and put into a house that is guarded by [Muslim] Turkish sentries. They must submit to the whims of the patrols. One sees cadavers in front of the houses. They are swollen and some have exposed entrails. The smell is unbearable and swarms of flies cover them. Day and night I make a tour of this quarter, and women who are crazed join me in the street; their clothes torn, They beg me to take them from this quarter. Where to take them? Everywhere is filled: the churches, the schools, the Alliance Francaise are overflowing.

The winds shifted away from the Muslim quarter and the fires started.

As the firemen would be trying to put out the fires in one house, the Muslims were pouring gasoline in the next house. 'In all the houses I went into I saw dead bodies,' Tchorbadjis [a French officer] said. 'In one house I followed a trail of blood that led me to a cupboard. My curiosity forced me to open this cupboard—and my hair stood on end. Inside was the naked body of a girl, with her breasts cut off. In the end, the entire Armenian quarter was burned. As far as the estimate that 2,000 died, **190,000 Armenians were never accounted for.**

MARTYRS(Source Dr Bill Warner Course on Political Islam) Why did the Muslims do this? It was a sacred act. It is strictly according to the code of jihad that is laid out in the Koran and the Sunna Indeed, murder and theft of the Kafir in jihad is a sacrament. If one of the Muslim jihadists had been killed, he would be declared a martyr.

The sword of the jihadist is the scalpel of Allah; it is pure good. Just as a scalpel removes what harms the body, jihad, in all its forms, removes Today, the Armenians are trying to tell their story, but no one cares, no one listens. Turkey denies the annihilation and is trying to become a part of the European Union. No one wants to talk about what could be bad for business, so the EU does not want to talk about it. It upsets the Muslims.

In the 20th century, America went to war to support the Muslims in Kosovo, Yugoslavia and Albania. The press and State department played the same roles there as they did in Smyrna. The supreme tragedy is that Americans played the same role that they did in 1922. We have no knowledge about the suffering of Kafirs over the centuries. If we are to survive as a civilization, we must study Islam. It is not that Islam is so strong: it is that our ignorance makes us weak. adapted from Smyrna, 1922 by M H Dobkin, Newmark Press, NY, NY, 1989. This story here is only the smallest part of the suffering of the Armenians and Greeks.

used weapons and bombs here **an additional 162 Americans have been killed in 55 separate acts of deadly Islamic terror or Islam-related honor killing in the United States since then see Attacks on American Soil.**

Official Islam is the Islam that the mainstream media, educators and government officials tell us is the "real" Islam.

Official Islam is at best a half-truth and, as a result, it is false. This book is devoted to exploring the true nature of Islam as revealed in its sacred texts and its history. There is another Islam that was given voice by George Bush, Obama and the media. Official Islam was not invented by the media, Bush or Obama, but by the Muslim Brotherhood¹ **The Muslim Brotherhood is a underground organization devoted to the rule of Sharia over the world.** They have been active in the US since 1960.

This official doctrine became the standard in all of the universities when the Brotherhood, powered by Saudi money, invaded and took over the Middle East departments. That is the reason that the media went along with the official version. This is what they were all taught. The preachers, rabbis and politicians believe in this Official Islam, at least in public. OFFICIAL ISLAM Here are the major points of Official Islam:

- Islam is a religion similar to Christianity and Judaism. They all worship the same god and are of the Abrahamic faith.
- Good Muslims prove that Islam is good
- There are no jihadists, just extremists fueled by poverty
- “Extremists” cause the violence
- The “bad stuff” in the Koran is due to how it is interpreted
- Islam must be accommodated in as many ways as possible
- Violence is perpetrated by Muslims because they are poor and abused
- The West received the foundation of its intellectual world from Islam
- The Crusades were a great evil committed by Christians
- There are mostly moderate Muslims and a few extremist Muslims
- Islam is only found in the Koran
- Good Muslims will reform the “extremists”
- Islam is the religion of tolerance
- Islam has a Golden Rule
- Islam is a wonderful part of American culture
- Islam is the religion of freedom and justice

But the official version of Islam is a lie. The fact that the Official Islam

does not agree with the Koran, Sira and Hadith is of no importance, since it is not based upon them. Official Islam is based upon the propaganda of the Muslim Brotherhood. Not one line of the Official Islam is totally true and many of the points are complete fabrications

Refutation: Islam is barely a religion and 99% Md cult with that dictates how to live and is more of a political system of Sharia law and an Arab culture.

Good Muslims prove that Islam is good

Muslims per se prove nothing about Islam. Islam is the doctrine found in the Koran, Sira and Hadith. There is absolutely nothing that any Muslim can do about the doctrine of Islam, except to choose what part of it to follow. The word Islam means submission; the word Muslim refers to one who submits.

- There are no jihadists, just extremists. This naming is ignorance or deceit. It is impossible to be an extremist if you are imitating Mohammed. He rose to power through continued Violence.
- Islam must be accommodated in as many ways as possible

This is dhimmitude (serving the needs of Islam) based upon ignorance

and fear. Accommodation of Islam means the end of free speech, free thought, freedom of religion, freedom of the press and our civilization

- There are moderate Muslims and a few extremist Muslims

This is a perfect example of making statements about Islam based upon

the Golden Rule and ignorance (or deceit) about the doctrine and history of Islam. The only scale for measuring Muslims is Islam, not our ethics. Only the Koran and the Sunna give us the scale to measure a Muslim.

- Islam is found in the Koran and Mohammed is never discussed.

it is the prime directive of Official Islam to never mention

Mohammed, the Sunna and Sharia and only talk about the Koran, the

book everybody has heard of and nobody has read (and is considered impossible to understand).

The “bad stuff” in the Koran is just how it is interpreted

Luckily all of the bad stuff in the Koran has been interpreted in the

Sharia, we don’t need to worry about interpretation. The Sharia says that the verses about fighting in Allah’s cause means killing Kafirs.

There is no “bad stuff” in the Koran. The Koran is crystal clear in its

Nature

- Good Muslims will reform the “extremists” Lie change is not allowed. Islam is a wonderful part of American culture.

Lie. American culture is founded on the moral principle of the Golden Rule and the intellectual principle of critical

thought. The Golden Rule is manifest in our Declaration of Independence and the Constitution. We have legal equality of sex, race, religion and freedom of thought, ideas and the media. Islam denies all of these principles with its dualistic ethics, Islam denies our core values.

- Islam is the religion of freedom Lie.
