

VERY IMPORTANT FACTS Please read these 3 sheets of paper.
because your family's future and safety are at risk.

American Children, and D. Pearl, K. Mueller, G. Marku, J. Hickey,
The above persons and 3,162 American civilians and 8,417 young American
service people have been murdered by a clandestine jihadi world domination cult
which will become a serious threat to your family. (1 see extensive reference sheets)
This is not about religion but rather about the anti American stealth jihadi cult
which is growing. There are more of them now in America than there are troops
in our US Army. Many have weapons, are learning about bombs and ways to take
over our country while worming their way into positions of power. **I am not
talking about your nice Muslim=M neighbor or their head covered girls.** In
a few years they will have enough power to take over here because Americans
are clueless because **our media and politicians are either under the thumb of
this cult or are afraid to report on it.** Most TV and other big media are partly
owned or controlled by this cult. I am an old veteran with not long to live and I
feel it is my duty to warn you and give you the facts so I can go to my grave in
peace. **The threat is real and widespread.** The U.S. Department of State issues
travel advisories daily. They have an up to date Threat Advisory map.
<https://travelmaps.state.gov/TSGMap> Awhile ago this world map showed that
much of the world was a relatively safe place to go. But in recent years because
of this cult of thugs most of the world is no longer a safe place for Americans.
Take a look you will be shocked. **The FBI raided them and found many
weapons.** They are rapidly increasing their power and influence by using the
media which they partly own, so few negative stories about them are put out.
They are taking positions of power all over like a deadly cancer, are now in
congress, Dept of Homeland Security, Education, and other important and
strategic areas of power. The American Legion a large Veteran group has put out
a warning about this stealth enemy cult located in large numbers inside our
country.(2) Also U.S. **Secretary of Defense General James Mattis** stated "My
men defend Freedom all over the world with a gun. Yet when they come home
some politician wants to make them defenseless against **thousands of armed
jihadi terrorists.**"(who consider jihad, violence to spread Islam, as a sacred duty
and God's commandment ordered from the Quran) Also Former Speaker of the
House of representatives Newt Gingrich who is also a professor of history has
also spoken out about this enemy threat.

He wrote in "America at Risk" "we are at war with...Islamists and it is a war
we are losing."(3) Muhammad developed practices that allowed his now **2
Billion followers** to wage very successful campaigns of terror that resulted in
almost 1/2 of the world now being under their control in 50 countries (4) and now
taking over many more such as those in Africa. **Millions** of them are here now.
(4) They and their propaganda claim to be peaceful but **Their Actions Speak
Louder than their Lies.** Many have **automatic weapons** which they have used
in America many times see list (6) Daily around the world innocent people are
killed by them but **the media is afraid to report it** and because it is an
unpleasant truth so you don't hear about it. The pictures on the first page show
**Dan Pearl journalist beheaded, Kayla Mueller humanitarian at Doctors without
Borders kidnapped and made into a sex slave. The pope of this cult pulled her
fingernails out painfully with pliers** when she refused to deny her Christian faith.
**20 year old Julie Hickey by bomb, Gentian Marku translator from Warren
Michigan shot, Children murdered by bombers at Boston Marathon.** This
was **premeditated murder** and the M (=Muslim) bombers were disappointed
that many more Americans were not killed. Also beheaded Mrs Chihoudy
Sterling Heights Michigan and American workers like James Foley and many
others. To see the way things are heading look at France who allowed homeless
M refugees to immigrate in but they did not become good French citizens instead
they formed little Irans. One half of their youth identify as Ms (Muslims) first.
Gangs of them torched 9000 vehicles in 3 weeks of rioting, they destroyed 100
public buildings in 274 Towns.(8) Despite many arrests the police lost control. M
attacks keep increasing 3 women killed in church Oct 2020. (9) Malmo Sweden
was a world class city. They allowed M refugees in and years later **M gangs
terrorize** (now known as rape capital) **Police are afraid to go into M areas.** Riots
and lawlessness can push governments in the direction leading to martial law.
Facts: America is now at war with Islamists. **Thousands of Americans have
been killed by them** and more die every month. We lost 3000 innocent persons
because of 9-11 2001 with more now dying of cancer because of it (this was the
2nd attack on the World Trade Center 1st was 2/26/93 also by Islamists killing 6
injuring 1000.) and 162 Americans have been killed since then in 56 separate acts
in America: Times Square bomber, Underwear bomber over Detroit, (10)
hundreds of us near Detroit could have been killed. Shoe bomber, The Boston
Marathon bombers, Ft Hood shooter, and more.(6) Now public area bombings are
threatened here. Many bombings have been foiled by the FBI, one at a big
Michigan football stadium. We are letting in thousands of jihadis yearly **so the
threat is growing.** That is why when you fly everyone is screened. **History
teacher Samuel Paty was beheaded with a butcher knife Oct 16, 2020 by a
jihadi** after he showed his students 2 drawings of Muhammad=Md published in a
magazine in a lesson about freedom of expression (11) In 2005 newspapers had
cartoons of historical people. This **cult killed 250 innocent people over
cartoons** none of which had anything to do at all with the cartoons. Intolerent!

and this happened in several countries (13) because they were upset as they didn't like cartoons of their prophet. But they put out a propaganda film showing our Statue of liberty as an evil devil. Islam means surrender. The word kill occurs 24,400 times in the Quran and Hadith their two main books. They even issue fatwas (kill orders) (13) against other people.

2018.03.12 USA Palm Beach Gardens, FL A Islam convert stabs three people over his religion, and two 13-year-olds.

2009.11.05 USA Ft. Hood, TX A Muslim psychiatrist kills thirteen unarmed soldiers while yelling praises to Allah.

2016.09.17 USA NYC, NY A former M asylum seeker plants several explosives, one of which injures twenty-nine innocents. He also shot two policemen.

2015.12.02 USA San Bernardino, CA A M shoots up a Christmas party with his wife, leaving fourteen dead.

2008.01.01 USA Irving, TX A M immigrant shoots his two daughters to death on concerns about their 'Western' lifestyle. This is a so called honor killing which is legal in their law and not punishable by Islamic Sharia law.

2012.06.15 USA Mission, TX A man shoots his daughter, her boyfriend and her mother for letting the girl date a non-M. **2020 Warren MI** girl confides that she is afraid as her brother saw her without her head scarf while she was letting her hair dry and wants to have her honor killed.

2006.06.25 USA Denver, CO a Muslim shoots four of his co-workers and a police officer. 2015.02.14 USA Detroit, MI Two men are stabbed by a Muslim who first verified that they were nonbelievers. 2011.04.30 USA Warren MI A young woman is shot in the head by her stepfather for not adhering to Islamic practices. more examples at jihadwatch.org/ thereligionofpeace.com

Muslim Fulani men in north-central Nigeria **hacked a young Catholic man to death with machetes** on Oct. 14, 2020, one of eight Christians killed this month in Plateau state. (Morning Star News) Also an attack on Sept. 24 killed five Christians. (Robert Spencer 32) notes that most of the media will not report this and he was right. If Christians had hacked a M to death, it would be in the headlines for weeks. You almost never hear about Christians being killed by Ms because this is censored by our largely Saudi partly owned media (14) who are afraid to publish anything negative about Islam as workers do not want to displease the owners which means Jihadi attacks and activity is now mostly not reported on.

This is censorship. **Not reporting on an enemy in our midst** that we are currently at war fighting with our young people dying **is a dangerous real threat**. There is a huge amount of lies and half truth propaganda about Islam financed by Saudi millions put out in the media which they now largely control. **History teaches that the best way to take over an enemy is by surprise.** And

Americans are clueless because they are not being told anything about this serious threat. **We are losing Freedom of speech.** People are being fired all over because they just posted their opinion on Twitter or Facebook which you may have noticed is now censored even if it is the truth in many instances. And

this censorship, rewriting of history and political correctness is now in our media, and schools from K through colleges. Children are told half truths about Islam. You can believe me because many of us veterans have had actual experience with this enemy, and we have seen firsthand by their actions, bombs in public places, and on children, actions which are the opposite of their lies. Also believe me because I have taken college level classes on this from Harvard, and others on this topic. Believe me as I am not selling you anything, have no ax to grind, am old and experienced, don't have long to time left to live, and have nothing to gain but to help us preserve our families safety.

Most Americans are unaware of this multi million strong enemy which is a stealth cult known as jihadis (Islamist) which is one who will do anything **including violent actions to advance Islam**. They believe that they will go to paradise if they are killed (Quran 9-111) That is why there are so many suicide attacks. The Quran is their bible and **orders them to "slay non-believers"** wherever they find them. (9-5 and many other verses.) I am not saying every M is bad. Many American ones appear peaceful, but **they are required to participate in jihad** (actions to spread Islam) under penalty of punishment so some do so financially and by voting to put Ms into power and by having many kids and by bringing in as many relatives as they can so they will eventually take over the government. **Jihad is the highest duty of Muslims**. There are over 100 verses in the Quran that exhort believers to jihad. **Violent jihad** is not from a tiny minority or radicals that their propaganda the Muslim Brotherhood puts out as Official Islam, rather it **is a constant element in mainstream Islam absolutely required of all Islamic men**. Domination is the name of the game. So called radical actions are not, they are really mainstream Islam ordered by Mohammad and the Quran. **"radical" is false replace it with devout**.

To understand Islam we have to learn about Muhammad their self declared prophet. Jihadis look to him as the "excellent Example" of human behavior. (36) **The example of Md is what they follow. It is also their law and their way** which is **jihad, often violent actions to spread Islam**. Muhammad=Md was born 570 AD in Mecca Saudi Arabia died 632 fat and wealthy allegedly by poisoning by women. He was a tribesman warrior and trader (37) who married a rich widow and during a mid life crisis began hearing voices and seeing things. claiming God was speaking to him (through an angel or was it the devil under guise of an angel no one knows) He made a big deal that he was God's prophet (moon God Allah from his tribe) His cult does not actually follow God instead they follow Md's example. Many think God can guide each of us much better than some illiterate uneducated hedonistic greedy warrior who thinks God only understands Arabic. But they hide under the guise of pretending to be a religion to get concessions and tax breaks. After 13 years of failure to get many followers **he found several powerful practices that let him become the ruthless tribal ruler of Arabia**. The first was that he said God wants all to follow him as God's

prophet and all must submit. Then he told followers that God ordered that they all must spread Islam by jihad (holy war to spread Islam) under his leadership. The next two power practices are that no one may leave Islam or criticize Md under penalty of death, (very effective for stopping desertions and they enforced it) and Md claimed killing raping and plundering was sanctioned by Allah. (Guillaume 2009 Oxford University and others see G) But Islam is all about Md's actions profiting from booty and sex not God, who gave us life and it makes no sense for God to order suicide of believers and death with raping and plundering. **Md started robbing peaceful caravans** in the year 623 **was a warrior killing, raping and pillaging** (G 281-531) God was not making profit and enjoying sex but the cult warriors were. **So it was a cult gang of robbers not a religion**. In the year 627 he sat with his 12 year old child bride and **presided over the beheadings of 800 peaceful villagers and every boy over 12** all who had surrendered peacefully without ever going into battle against him (G p464) All of their property was plundered. 1/5 went to Md including the women and girls who were added to his harem. This included a girl, Rayhana, who became one of his personal concubines the very night that her husband was beheaded. (15) It appears that he liked to have sex with wives of men who he killed. Had his men tie Umm Qirfa an **elderly woman's legs each to a separate camel** then had them driven in opposite directions. (G 665) He had her sons brutally killed & daughter put into slavery. **His gang of robbers would kill the men in a village, rape the women, plunder everything and sell the captured people as slaves for great profit**. He set the example that Islam is spread by the sword and owns, sells and profits from slavery including black slaves from Africa. They have been doing this for 1400 years. **11 million slaves were shipped across the Atlantic** and 14 million were sent to the Islamic nations. (16) Ms ran the wholesale slave trade in Africa for 1400 years. **Md called blacks "raisin heads"**. (17) God was not making a profit and enjoying sex but the cult of robbers, rapists and slave traders was for 1400 years. So it was 99% cult and 1% religion. The religion was not the problem the actions of the jihadis was. **Md married a 6-year-old girl**.

He also had repeated sex with a 9 year old little girl (18)

Because of his example it is legal for all M men to have sex with 9-year-old girls. (46 ISL 4.4) He had a baby ripped from a young mother and had her painfully stoned to death. (47 SM17:4209) Today if a girl is raped in a M country she is stoned to death, the men not prosecuted. Ms have stoned thousands of women who were raped even teenage girls who were gang raped (48 SM 4206) Do a Google search on 13 year old Aisha Ibrahim Duhulow She was slowly and painfully stoned to death after being gang raped. (19) They just kill victims so no one is left to testify. **Md also had sex with his daughter in law** (20) but that was OK because Allah appears to have taken an interest in Md's sex life and told him it was OK. Md ended up having around 12 wives plus his harem and having sex with wives of men he had killed. Md hit his wife and **beating of wives is OKed in the Quran**. Women are "tilth" (dirt to be plowed as a man wills 21) Women are considered property

Md claimed the moon God Allah's angel spoke to him often **Mostly when he was in bed with his child bride who did not observe anything unusual** nor did anyone else over many alleged speakings of God as it was all in Md's head. He had her write down what he allegedly saw as he was uneducated & illiterate.

Their practices are based not on what God wants but on what Md did in his life as The Best Example of human behavior **He had anyone who spoke against Islam or did not believe him killed**. (fact 23). That is what cults do. Followers are required to self brainwash themselves to automatically submit themselves to the path of Md by reciting doctrine by Md in Arabic (40 or so) times in their 5 daily prostration sessions where they kneel, touch their heads to the floor prostrating them-selves and promising to follow the path of Md. Harvard University had us go over the actual verses which they call prayers but they are not really prayers to God but rather brainwash-like repeated indoctrinations. During my college religion classes I witnessed men doing this but I saw no women in the mosque.

Islam does not have a moral code. Islam's only moral principal is: if it's good for Islam it's right

Nearly all religions of the world have adopted the Golden Rule as a guide

Golden Rule = Do only as you would want to be done to yourself.

The Golden Rule is not anywhere in the Quran and not part of Islam. In fact, **Islam practices the opposite to non-believers**. Anyone who said anything negative about him even in poems or did not believe he was a prophet was killed.

The most prominent command is "**Slay the nonbelievers**" (59 Quran verse 9-5 & in many other verses) and exemplified by Muhammad. **As a tribe leader his practices of killing, raping and plundering were very motivating to his warriors and brought him great wealth and power and are practiced today** where they can get away with it like Africa, & Indonesia. He did not like music or pictures or drawings of people, so they are mostly banned in Islam. (24) Recently they killed 250 innocent people (who had nothing at all to do with it) Killed over cartoons. Many things in Islam are **dualistic**. Nonbelievers may be killed, and non-M girls raped without punishment in Islamic law, but Ms are to be fair with one another. Men have rights, but women are subjugated by men. (22) Women have almost no rights but men may: have many wives and sex with slaves and (25) temporary wives, may exchange wives, Men can divorce by just saying I divorce you but women may not. May have sex with step daughters (26) Muslim men can have sex with wife's daughter after he has had sex with her mother. (27) M countries today have thousands of slaves (28) especially child brides (little girls some only 8-9 years old) The Quran even has how to divorce little prepubescent girls. (29) **Sex with pre pubescent little girls is permitted**. Pakistani soldiers raped 250,000 Bangladesh girls and women in 1971 without shame because it was following Mds example. A woman has no right to custody of her child from previous marriage. (69 M13.4 p552) Over 650 million women alive now were married as children. (30 girlsnotbrides.org) A father or brother **can actually sell off a girl to be a wife of an older man** over mothers objections. (31)

The **girl's mother has no say**. The girl usually has no idea that she is about to be an old man's **sex toy/slave** so her "**silence is considered consent**" that is their law (32) These children should be in school. Little girl bodies are too small to have a baby often resulting in fistulas (burstings) in their bodies causing mortal injury. (33) In Jordan 26% of reported cases of violence against wives are against M wives who were under 18 (34) In Egypt 29 percent of married adolescents have been beaten by their M husband. Wife beating is legal in Islam. (34) Social workers, and women from M majority countries tell **horror stories of girl and woman abuse**, beatings and so called **honor killings**. If a man wants a new wife he can find something wrong and kill her (73) without penalty legally in Islamic law.

There have been honor killings here in the USA.

The Quran is dualistic. Early verses are superseded by later ones (seems God changed his mind) giving **double meanings** many are **very ambiguous** but all has already been decided by Md's actions so it is **not a matter of interpretation which they claim**. Paradise is promised for fighting (74 Q9:111) which is required of every M. Md sent out his warriors on 65 raids mostly to peaceful villages even though there was no need to. (75) His last command on his deathbed was to spread Islam. They did, practicing his example of killing the men and older boys (gets rid of all opposition) raping the women and girls (made his warriors happy) plundering then selling the captives into slavery all at great profit. (76) **His warriors bloodily conquered the Middle, Far East, and N Africa killing 270 million (77) mostly innocent peaceful persons, plundering all their property and selling the wives and children into slavery following Md's example.** The Middle East was all Christian. Now there are virtually none. **All 60 million innocent peaceful Christians were butchered by jihad** (82) later causing the crusades which was the response that was delayed as all the men had been killed. In Afghanistan **10 million peaceful pacifist Buddhists** were massacred. Islamic popes called Caliphs were polygamous and had large harems of captured slaves. They were responsible for killing millions. 11 of them were murdered by fellow Ms.(83) President Jefferson went to war against them because of their cruelty and slavery. (84 Barbary Pirates) **Turk Muslims massacred 1.5 million peaceful Armenian (78) Christians for no reason other than they were Christians.** Idi Amin slaughtered 300,000 Ugandan peaceful Christians (79) In Nigeria Christians are now being imprisoned and killed.(80) Tropoli's Catholic Cathedral is now a mosque. **Killing of non-Ms is happening in M countries today around the world,** Pakistan, Indonesia etc. Europe is gradually being taken over. Much of the world is turning Islam. They can't reverse it because of the threat of being killed from the jihadis in the cult preventing change or leaving. It is convert to Islam, or be killed. (86) And anyone who says anything against Md is guilty of blasphemy which is punished by death.(81) Once they get into a country they are **like a cancer and like a Trojan horse**. But the religious practices of Ms are not a problem, rather it is Political Islam practices

of the jihadis, what they do to non-Ms that is a threat to you and me.

Africa is gradually being taken over now so is Europe. Canada is now controlled by M leadership. They have attacked several of our embassies (87) killing many Americans and you would think that would be enough to label them as enemy, but our press ignores them. **America is ripe for the picking and appears to be clueless because the media is supporting the takeover of America by Islam** by not reporting killings, or even acknowledge them as the enemy. **The number of jihadis in America (millions) is growing very fast because of: immigration**, bringing in relatives, much higher birth rate, recruiting of young people. It is stealth jihad and the media is afraid to report on it. A Pew research study showed that a percentage here do support violent jihad to advance Islam.(91) **Several million of them are here in US, more jihadis than we have troops in our US Army.** Many are armed can choose to kill or bomb any time because they believe they will go to paradise if they are killed. There are several M training camps here in US training them in weapons (92) and they are making significant progress in building their political and civic power. **Look at France, Iran and Turkey. We are heading towards that.** In M countries they sometimes kill college students and professors and anyone else who they don't like.(93) Recent history shows us that **once Ms get control**, their Islamic law which is also "the state" and "their Constitution" allows them to **confiscate non-Ms belongings, money and property, tax them** and even kill non-Ms all legally without punishment. Md did this to peaceful villagers, His followers have done this following his example for 1400 years into the present time. If Ms **get even a 10% minority that is the future here**, because they will force their way to a take over. Change is outlawed in Islam, so **There is no hope for a moderate Islam because the jihadis will execute the moderates.** Human rights groups have made us aware of serious abuse of women and girls in Islamic countries. **We veterans** stationed in their countries have **personally witnessed** repeated abuse of women and girls. We veterans witnessed them put bombs in clothing of children then sent the children to us telling them we would give them chocolate. Many of our soldiers died because of bombs. But anything goes to advance Islam. Bombs on children and in public places and **putting the cult before human decency shows it is a cult not a religion.** Cult versus religion. Religions stress relationship with the supernatural (**Religions follow God**, doing what God wants) But cults put emphasis on a human cult leader (95 like Jim Jones or Muhammad) **Cults follow the cult leader not God.** Jim Jones ordered his followers to drink poison Kool Aid and they did. **They put following the cult leader over God.** Islam emphasizes following Md. His followers must submit and prostrate themselves 40 times a day **indoctrinating call it self brainwashing themselves to mindlessly follow Md.** They call this prayer but they are reciting memorized verses in Arabic not praying to God, **They follow Muhammad's example which is their way (jihad) and their law.** Many Ms do not know about Islam or what these verses mean because they are in Arabic.

They just memorize them like a song but do not know what they are singing because they are supposed to read the Quran only in Arabic. **Many Ms have been told fairy tales about how great their prophet was, not the real truth** in the biographies. The religious practices of Ms reciting verses are not the problem. The problem is Political Islam practices which is what they do to non-Ms which is abusing and killing them. Look at 9-11 and the hundreds of other bombings and killings. **You can leave a religion but trying to leave a cult is usually not allowed. In the cult of Islam it is punishable by death.** People who convert from Islam to Christianity are afraid even in America of being killed by some jihadi who may do it to go to heaven. Cults are usually fairly closed groups. The Quran orders Ms not to be friends with non-Ms.(96) Islamic women are not to marry a Christian man.(97) **Cults are usually not open to change. Islam outlaws changes.** In a religion one follows God. In a cult they follow the cult leader's commands and example. Md condoned lying, which is now part of their law (98) **It is a cult that masquerades as a religion. Islam is all about Md and his actions not God.** Besides what religion would have a God that orders children killed, women abused, raped teens stoned to death, and suicide to its followers. **Of all sacred books the Quran is unique in ordering suicide and abuse to its own believers and the killing of nonbelievers.**(99) Slavery is legal in Islam (100) although they cover this up. There is more slavery now in M countries than ever. (101 Do a Google search on slavery) Many American Ms are not informed about Islam on purpose so they can be recruiters for Islam. They will say "we don't believe that" because that is part of the world domination plan which is that they become no problem until they get power, then it changes. If you try to discuss Islam, they will change the subject but do shift it back to what Md did, like abuse of women, killing. **To get power they: infiltrate into groups, neighborhoods and countries, Increase their numbers, bring in more relatives have many children;** get the population to believe they are not a threat. send their children to local schools, work peacefully in the workplaces, make their children recruiters for Islam by not teaching them the nasty practices of killing and abuse, of women. So your M neighbors usually are good neighbors. But meanwhile they are greatly increasing their numbers, building mosques, gaining powerful positions, and giving money to the cause of Islam. Gradually they become more powerful and influential, more intolerant, move into and take over neighborhoods and force out non-Ms. Look at the direction Hamtramck is headed. Polish are leaving. The chimes are silent now as Arabic is blared out of the towers 5 times a day. Once they get over **10%** of a population and positions of power they can leverage actions favorable to them. **They can do this without getting a majority because they pressure weak politicians and others to favor their actions.** They can also do this with under the table money, bribery, threats to family (just like the organized crime does) Areas and neighborhoods can become No-Go zones where non Ms are not welcome and are driven out and police are afraid there.

Look at Africa to see what is happening to non-Ms. They are first harassed, then lose their homes, property and **many now losing their lives.** We are not at that point yet here, but many places in the world are. A gang or armed jihadis can become bombers or snipers taking over an area, neighborhood or town. Most of our young people do not know how to use firearms. Our army is stationed mostly elsewhere. The guard is relatively few in number. **The USA is largely sitting ducks unprepared and unaware of the danger.** Most small city and village police departments are relatively small and could be overcome by a gang of armed jihadis. **There are several millions of them here.** And once they get power anyone who speaks negatively of Md is guilty of blasphemy and can be legally killed. They do not see peaceful co-existence with non-Muslims as an option so non-Ms become servants are taxed or killed. Killing of noncombatants like you and me is normal Islamic behavior not radical Islam. Islam is a world domination cult and serious threat as it has taken over or now has **major influence in ½ of the world** and it is growing. They are all over the world now in 50 countries and growing. (104) worse is that we are unaware and unprepared to deal with this stealth army. Jihadis have unlimited Saudi money for propaganda, lawsuits and weapons. They are gradually taking over Europe, Africa, and Canada. **America is ignorant of this serious threat like a sleeping sitting duck on a nest.** What to do. **We need to educate Americans about this threat. Acknowledge jihadis as the enemy. Stop the jihadi immigration. Deport those who are a threat.** Encourage everyone to read the Quran and see how violent it is. Demand Muslim organizations be changed from religious to political ending tax breaks. Stop giving them our money and foreign aid.

One big thing they do is get so called anti hate speech laws passed. Sounds great but it is a ruse so that people cannot criticize Islam. Do not allow this. In countries that allowed this, people find they cannot now speak up against Islam even though they are telling the truth, or they get fined, which speeds up the takeover. Iran's UN delegate stated that Human rights is not allowable in Islam (35) Stand up for human rights for all and against abuse and killing. Like the stabbing and throat cutting murder of Theo Van Gogh in 2004 (106) with a note pinned to his clothes with versus from the Quran, America is like sleeping sitting ducks. Americans in general are uninformed, unprepared, trusting, naive, and busy being entertained by TV while the enemy is busy preparing to take over.

If our public media do not inform Americans of this serious threat it is only a matter of time that it will be too late. The jihadis are making great progress in building their power while Americans are clueless.

Around the world people are waking up to find they have lost control of their freedom and their future. Their police and government can no longer protect them. Those who ignore this warning and do nothing may find out too late that **this threat is real,** and America with its freedoms **has allowed these enemies to get power** and take over.
