

THERE IS MUCH MORE
This is just the introduction book to a huge
Educational Historical Archive of 9,000 pictures 16,000 pages of text.
This archive is available free to everyone.

This is the **largest and most up to date history of our local area** with **1350 pictures** just in this introduction book.. About ½ of the book has color pages. More is being added weekly.

There are many more pictures in the archive

The Index is the next item to be published and will soon be a separate book.
