

When you buy a car, you're not just buying a car. You're buying a way of life. You're buying freedom, freedom of movement, freedom of choice. You're buying the freedom to go wherever you want, whenever you want, in your own car. You're buying the freedom to escape the crowds, the noise, the pollution of the city. You're buying the freedom to enjoy the open air, the sun, the wind. You're buying the freedom to travel, to explore, to discover. You're buying the freedom to live. You're buying the freedom to be free.
