Several other memorials are now missing which we

do not have pictures of. According to the Warren Police, WWJ and Macomb Daily officers of the Warren Historical Society are behind the robbing of the above from graves at Warren Union Cemetery

Two people did this secretly without just cause, without vote of Village Commission Historical Society or a public hearing, They do not own the markers, or the

cemetery. They robbed Warren's unknown soldier memorial from a grave and they stole a memorial that listed Warren soldiers who are buried there. **This was the only memorial showing the names of these soldiers. Nothing was found wrong with these memorials in a later public meeting** And they stole the memorial to all veterans and to those who died on attacks on our country (Pearl Harbor affected many families) and 9-11 (including over 400 policemen and firemen among the 3000 killed) and they stole another that told what our flag stood for and yet another that honors those many children and pioneers buried there without markers. **These memorials were causing no harm. There is lots of room for them. They posed no threat. There is nothing disrespectful or wrong about these memorials.** The memorials were there to honor men who died and to educate visitors especially young people who no longer learn about history in school. We veterans saw friends die. We served our country with honor and integrity. We feel it is wrong to steal memorials showing soldiers honored service to future generations. **They at least earned their name on a granite stone.** Now visitors including young people will not be able to see who these soldiers were. Now many of our soldiers have no marker at all because the only one they had was stolen. This was not done by the historical society but by two persons, without a vote of the membership. Taking property that is not yours is called stealing and when it is worth several thousand dollars it is grand larceny. It has been over a year and they have not returned them. **Stealing memorials that name our soldiers is worse than disgraceful. They are robbing our history left for our young people who no longer are taught history in school. No one should be allowed to steal memorials they don't own out of a cemetery they don't own.** We veterans feel that they have disrespected our soldiers, our flag and those who died on attacks to our country. These memorials were donated without cost to the city possibility by out of town descendents of those buried there.

We veterans are asking that The Warren Village Commission simply acknowledge that these memorials are not a threat to anyone, harm no one, honor our Warren Soldiers many of which are buried in Warren Union Cemetery which has lots of room for them and does so without cost to the city. We also ask that the people who removed them without public notice or the vote of The Village Commission simply return them without cost to the city. **This will also avoid costly and ugly legal battles supported by hundreds of veterans** over the improper removal (grand larceny) and disrespecting of our soldiers. This simple and cost free action would make The Warren Village Commission heroes to thousands of Warren children, and veterans who look to them to preserve our Warren Village Historical and American Heritage to future generations.

This also fulfills the missions of The Warren Historical Commission, the society and Village Commission to preserve our history and educate future generations. **But if they choose to disrespect our soldiers and veterans and those who died defending our freedom and on attacks on our country let it be known that we (and there are hundreds of us) will mount a campaign against those few disrespectors.** We veterans are not going to allow men and women who died to be disrespected and their history stolen from our local cemetery. **Attention attorneys we are looking for attorneys who are willing to help us fight this cause. We are willing to do fund raising to pay you.** We are looking for banks or organizations who are willing to accept donations directly to them for this cause. None of us is to accept funds rather they are to go directly to the banks. History will note whether these unpatriotic disrespectors of those who died for our freedom shall be known as the **Warren "Hysterical" grave robbing society,** or shall be known as Historical Heroes who preserved our American Heritage, educated future generations and respected our soldiers.
