Back Row, left to right: Clifford R. Cockerline, Merton A. Lyons, Raymond S. Lutz, Jack Eckstein.

In 1938 Chrysler Corporation donated a fire truck. In 1939 a fire hall was built next to the old township hall at Van Dyke and 11 Mile roads. Fire Station No 2 at 13360 Nine Mile Rd and Fire Station No 3 at 23630 Ryan were put in operation on September 7th, 1949. 1951 Van Dyke Fire Hall was built and two more fire halls were built. In 1955 the Nine Mile and Federal fire hall was built followed some time later by the fire hall on Twelve Mile Road by Common Road. The Ryan Station was built later.

William B. Burr was appointed the City of Warren's First fire Commissioner February 5th, 1957.
