Anonymous threw himself on a M bomber extinguishing the bomb on an airplane about to land in Detroit possibly saving hundreds of lives.

Two US Marines on guard duty as a truck pulled up no way of knowing that the driver was a M suicide terrorist. Everyone else ran but the Marines tried to stop him. Both died in the explosion.

Two other Marines stopped a 10 year old M girl whose father had put a suicide bomb vest on her. They were able to get the dangerous vest off of her and saved everyone including the child. These are real heroes. We veterans salute them. Help us veterans stop the grave robbers from stealing memorials.
