FREEDOM OF SPEECH AND MEDIA SAFEGUARD FREEDOM.

Our Constitution and Universal Declaration of Human Rights gives us many Freedoms. Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans all of which gave some and many gave all remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, trucks as weapons etc.

And there are the greedy 1% who have excessive wealth yet won't pay the 99% a living wage. And many corporations make big profits but pay very little taxes. Abundance for nearly all, and excessive wealth for the few has been created. But the wealthy and corporations need to be humane also and provide living wages to all willing to work. All humans can now have and should have adequate good food, clothing, shelter, medical care, education, training for jobs, and employment. The government can provide training and create jobs.

At this time in history poverty is unnecessary, and unacceptable. No child should be without adequate food, clothing, shelter, medical care and good education.

Automation is here like it or not. Machines with computers and AI are replacing humans now and this will happen to most jobs. We need to have the government put up solar panels nation wide to get free power daily. Have the electric companies buy this free power and put the huge profit into a fund and then give every citizen an equal financial credit. This provides at least minimum income for all citizens including children. All would still be free to work. Automation is already happening now and jobs are going to machines.

Wise management and science can solve problems. Why not have abundance for all including you?

In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to preserve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on innocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti human rights, anti equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

Hundreds of graves are now unmarked at Warren Union and St Clement Cemeteries and many stones are unreadable. Please help Historian Wesley Arnold identify these. Hundreds are children. If you have relatives buried there please contact me at wecare@dogoodforall.today while there are still people alive that have some knowledge of who is buried there. These will be saved and published in libraries, and on this free website where anyone can see and print any item in my histories.

The following message from the grave stands out.

**DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.**

**Behold and see as you pass by, as you are now, so once was I,
as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

Champine Dennis, City Manager/Clerk City of Center Line 2018

CHAMPINE DENNIS E. City Manager/City Clerk/DDA Director for the City of Center Line.

Dennis grew up with his parents, Donald and Patricia and nine siblings in the City of Warren, graduating from Warren Lincoln HS. His parents encouraged him to and his siblings to serve others. Five siblings, including Dennis, have been or are still public servants. His father, Donald served in the United State Army during the Korean War, and as a Van Dyke Public School Board Member; while his mother, Patricia worked for over 20 years at Van Dyke Public Schools, as a teacher's aide.

After attending a year at a aeronautics school in Tulsa, OK., Dennis joined the U. S. Marine Corps, serving six years (1981-1987); two years with 1st Marine Division Intel, two years with 3rd Battalion, 1st Marine Division at Camp Pendleton and the Far East; and two years with the Marine Corps Recruiting Service in Detroit.

Dennis then worked for the Van Dyke Public Schools (1987-1995) as an Administrative Clerk and Bookkeeper for over eight years. He was then appointed by Warren Mayor to become his Administrative Technician and was later the Community Relations Director, serving the City of Warren for twelve years (1995-2007) in those capacities. Dennis then served in the private sector as General Manager for CiCi's Pizza; a Activities Supervisor for The Fowler Center for Outdoor Learning, a special needs camp; a Facilities Manager for GCA Services, and Property Manager for Kramer Homes Co-op in Center Line. After eight years (2007-2015) in private sector management, Dennis was hired by the City of Center Line to become its City Manager/City Clerk/DDA Director in 2015.

Dennis received his Associates Degree in Business Administration from Davenport University; his

Bachelors of Science Degree in Public Administration – Community Development from Central Michigan University; and completed his Master’s Degree courses in General Administration at Central Michigan University.

Historian comment: Dennis is a well-loved person in our community and a family man with six children and four grand-children.

Champine Donald served in the United State Army during the Korean War, and as a Van Dyke Public School Board Member. He is the proud father of our City Manager.

Chmura John Michael 37th District court City of Warren John Michael Chmura was born in Detroit and lived the early part of his life in Poletown with his parents and maternal grandparents. With three of his four grandparents born in Poland, he grew up in a Polish-speaking household and became familiar with all of the important Polish customs observed by immigrant families living in Detroit during the 1960s. In 1965, Judge Chmura's parents bought a house in Warren which is where he grew up with his brother, Mark, who currently resides in Arizona with his wife and three children. The judge attended Beaver Elementary, Carter Junior High, and Cousino Senior High Schools, all in Warren. Judge Chmura attended Michigan State University earning a Bachelor of Arts degree from James Madison College, a liberal arts institution. He attended the University of Wisconsin Law School in Madison where he was awarded his law degree in 1988. Returning to Warren, Judge Chmura began his professional career by working as a staff attorney for Hyatt Legal Services. In 1991, he established his own practice. Soon after, he was appointed by Attorney General Frank Kelley as a Macomb County Public Administrator and began specializing in probate law. Governor John Engler appointed him to the 37th District Court bench in 1996 where he now serves. In October of 2008, the Michigan Supreme Court appointed him chief judge. Judge Chmura married Ann Marie (née Francis) in 1993. They have two children, Jonathan (age 13) and Andrew (age 11), both of whom attend St. Anne School in Warren. All are members of St. Anne's parish. Judge Chmura has many professional accomplishments. He served as president of the Macomb County Bar Association's Young Lawyers Division. He is past treasurer and president of the Advocates Bar Association. He also served 12 years as the treasurer of the Macomb County Probate Bar Association. Judge Chmura has been involved with numerous civic and charitable organizations as well. He is a member of the Kiwanis Club of Warren where he writes its weekly newsletter, serves on the board of directors at the Warren Family YMCA, and is a past board member of the Warren Symphony Orchestra. He also is a member of the Knights of Columbus (St. Pius X Council) as well as the Order of the Alhambra (Galicia Caravan). In addition, the judge is a member of the St. Anne's Ushers' and Men's Clubs. He is a merit badge counselor for the Boy Scouts of America. He also is a member of the Detroit Athletic Club. Judge Chmura is very proud of his Polish heritage. He is a member of the Polish American Congress; the Polish National Alliance, Lodge 1758; and the Friends of Polish Art. According to special veteran census of 1890, this veteran suffered from diarrhea as a result of service in war. In addition this veteran's soldiers home record indicated that he suffered from some level of deafness also. This veteran died in the Soldiers Home, Grand Rapids, MI. D 1927. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details.

They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced.

Cummings, Dorothy May (Peck) was born in 1924. The Cummings family was a land clearer family in Warren Township section 26. She was the daughter of Eldred E Peck and Myrtle Wilson. She grew up on a pioneer farm on Chicago Road one half way between Mound and Ryan. She went to the West School for grades 1-8 and to Warren High School for grades 8-12. The graduating class only had 8 persons in it. On the farm they did truck gardening. That is growing little stuff like carrots, tomatoes, strawberries. They had acres of apple trees. Nearly all was sold at farmers markets in Royal Oak and Ferndale. There was a lot of sorting to be done. She had to work the fields. They raised chickens. One could still sell dressed chickens then. They had horses, sheep, until 1941 when grandpa died. After high school she went to Albion College for one year then to Wayne State University for four more years. She majored in medical technology. Her first job was at the old Providence Hospital as a medical technologist. She moved to Chicago, got married and work at the University of Chicago Hospitals for 15 years. She moved back to Warren and worked at Beaumont Hospital again as a medical technologist. She started the first BA level school for Histo-Technology in the country while working for Oakland University. She talked Beaumont into starting the school and stayed on for 15 years. She retired at age 65. She stated that in the old days there was much more respect for teachers. She stated the food was better because it was home grown and all natural. People were more responsible in the old days. There was less crime. No one locked their house or car. There was more respect for law and order. But they practically never saw a sheriff. A local Justice of the Peace handled local issues. People were happier then. They had less but were happy with what they had. She states we can learn a lot from history. Dorothy is an active, working member and trustee of the Warren Historical Society. She has served on The Warren Council of Commissions 2008. In 2007 she was given The Warren Historical Society Award.
