FREEDOM OF SPEECH AND MEDIA SAFEGUARD FREEDOM.

Our Constitution and Universal Declaration of Human Rights gives us many Freedoms. Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans all of which gave some and many gave all remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, trucks as weapons etc.

And there are the greedy 1% who have excessive wealth yet won't pay the 99% a living wage. And many corporations make big profits but pay very little taxes. Abundance for nearly all, and excessive wealth for the few has been created. But the wealthy and corporations need to be humane also and provide living wages to all willing to work. All humans can now have and should have adequate good food, clothing, shelter, medical care, education, training for jobs, and employment. The government can provide training and create jobs.

At this time in history poverty is unnecessary, and unacceptable. No child should be without adequate food, clothing, shelter, medical care and good education.

Automation is here like it or not. Machines with computers and AI are replacing humans now and this will happen to most jobs. We need to have the government put up solar panels nation wide to get free power daily. Have the electric companies buy this free power and put the huge profit into a fund and then give every citizen an equal financial credit. This provides at least minimum income for all citizens including children. All would still be free to work. Automation is already happening now and jobs are going to machines.

Wise management and science can solve problems. Why not have abundance for all including you?

In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to preserve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on innocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti human rights, anti equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

Hundreds of graves are now unmarked at Warren Union and St Clement Cemeteries and many stones are unreadable. Please help Historian Wesley Arnold identify these. Hundreds are children. If you have relatives buried there please contact me at wecare@dogoodforall.today while there are still people alive that have some knowledge of who is buried there. These will be saved and published in libraries, and on this free website where anyone can see and print any item in my histories.

The following message from the grave stands out.

**DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.**

**Behold and see as you pass by, as you are now, so once was I,
as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

Licht Franck J 1926-1931 Warren Township Supervisor burial site unknown

Licht Frank 1936-1940 Warren township Treasurer burial site unknown

Licht Frank J The Frank J Licht park was named after him.

Licht Frank J Warren Justice 1924, Supervisor 1926-29, 1931, Treasurer 1936-40 Another man who left his mark on the growing communities of the Village of Warren and the Township of Warren was Frank Licht, and it was not just in one area. Early on, he had one of the most unique jobs, and a highly visible one at that. The village needed someone to tend its gasoline street lamps and Mr. Licht was its “Lamp Lighter” for as long as he was needed. We probably have forgotten that early lamps were filled with gasoline at the base and were lighted manually by a long pole with a trigger device. This required the lighter to go to each lamp at dusk to ignite it and at daylight to extinguish it (filling the base as needed). He is believed to have been the Village’s only lighter, but it was not his only job. He went into politics and was elected Township Justice of the Peace in 1914 as a starter. He drew upon his past public exposure then and was elevated to Township Supervisor in 1926 and swept away the competition for six succeeding elections. Not yet finished with public life, he then won election as Township Treasurer for five terms, leaving office finally in 1941 when Frank Wiegand took over. It was during Frank Licht’s tenure as supervisor that residential growth was such that private wells along Van Dyke (such as one the Groesbeck family built and had extended down several streets from Studebaker and Van Dyke) were abandoned and the area connected to the Detroit system. By Fred Gemmill

Additional info

frank was engaged in the garage business in Warren and as the secretary-treasurer of the Warren service Garage Co. He was born in Royal Oak June 2?, 1885. He was a rural mail carrier in that section until making his present connection in this territory. Supervisor Licht was married in 1908 to Margaret Flynn and is the father of two Eunice and Robert. Promoted Sergeant March 1, 1862. Discharged at expiration of term of service at Nashville, Tenn Oct 22, 1864. Record of service list him as Lorenze, Ernest. D March 22. 1912. 9/20/1862 9/20/1865 Is buried in Warren Union Cemetery. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details. Need More Information

Lutz, Fred was the Warren postmaster who came to the village in 1904. He was born in Detroit in 1873. He was a blacksmith and general store proprietor. He operated a hardware store for many years. He had one son Roy. Fred used to leave the side door of his hardware store unlocked with the understanding that anyone who needed something could come in and get it. Leave a note and come back the next open day and pay for it. From what I heard from the old timers this worked out well both for Fred and the community. Need More
