

IN MEMORY OF
THE VICTIMS OF
SEPTEMBER 11, 2001
FOR THEY ARE
VETERANS OF WAR

The attack was the second planned attack at the WTC by devout Ms. The first was on February 26 1993 killed 6 and injured over 1000 people, killed 3,000 on 9-11 caused by several M groups who sponsor suicide bombers who have killed and continue to kill thousands around the world since. They are working to take over countries and install Sharia law around the world. Remember 9-11, the Times Square Bomber, the Shoe Bomber, the Detroit Underwear bomber almost killed hundreds in Detroit area, Ft Hood killer an educated American M who shouted Allah is great as he killed 13 and injured 31, Boston Marathon bombers, soon mall truck bombers in public places. Pew study shows 5% of them support bombings. Ms support Islam which is anti human rights, anti US Constitution, women less than equal. Islam supports marriage to girls because their prophet married a 6 year old girl Aisha. Much is secretive. They also support "honor" killings. Do a Google search yourself. You will find thousands of child brides a year forced into marriage in spite of mother's objections. It is just wrong.
