FREEDOM OF SPEECH AND MEDIA SAFEGUARD FREEDOM.

Our Constitution and Universal Declaration of Human Rights gives us many Freedoms. Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans all of which gave some and many gave all remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, trucks as weapons etc.

And there are the greedy 1% who have excessive wealth yet won't pay the 99% a living wage. And many corporations make big profits but pay very little taxes. Abundance for nearly all, and excessive wealth for the few has been created. But the wealthy and corporations need to be humane also and provide living wages to all willing to work. All humans can now have and should have adequate good food, clothing, shelter, medical care, education, training for jobs, and employment. The government can provide training and create jobs.

At this time in history poverty is unnecessary, and unacceptable. No child should be without adequate food, clothing, shelter, medical care and good education.

Automation is here like it or not. Machines with computers and AI are replacing humans now and this will happen to most jobs. We need to have the government put up solar panels nation wide to get free power daily. Have the electric companies buy this free power and put the huge profit into a fund and then give every citizen an equal financial credit. This provides at least minimum income for all citizens including children. All would still be free to work. Automation is already happening now and jobs are going to machines.

Wise management and science can solve problems. Why not have abundance for all including you?

The purpose is so that they can learn from it so they need not repeat the mistakes of the past and to preserve our Freedom.
Signed, Professor Wesley E. Arnold Historical Researcher

In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to preserve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on innocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti human rights, anti equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

Hundreds of graves are now unmarked at Warren Union and St Clement Cemeteries and many stones are unreadable. Please help Historian Wesley Arnold identify these. Hundreds are children. If you have relatives buried there please contact me at wecare@dogoodforall.today while there are still people alive that have some knowledge of who is buried there. These will be saved and published in libraries, and on this free website where anyone can see and print any item in my histories.

The following message from the grave stands out.

**DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.**

**Behold and see as you pass by, as you are now, so once was I,
as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

OPFER FREDERICK Priv A 1 MI Art. 5/31/1861 5/31/1864 **from Warren Civil War** lived near Canfield (13 mile) and Hayes. His granddaughter gave me his papers to photograph. He had a farm at 13 Mile Road near Hayes Historian Wesley Arnold interviewed family. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details.
