NUMBERS  
called  
frequently...

can be found more quickly, and  
wrong numbers avoided, if you  
will jot them down and keep them  
near your telephone on your own

**PERSONAL TELEPHONE NUMBER LIST**

## CENTER LINE TELEPHONE NUMBERS HAVE BEEN CHANGED

The new numbers consist of a Central Office Name "SLOCUM" and FIVE DIGIT NUMBERS.

CENTER LINE may be dialed directly by ROYAL OAK subscribers and DETROIT subscribers located in AREAS 2 AND 3.

### TO PLACE A CALL

#### From DETROIT

Area 2  
Edgewater, Lakeview,  
Tuxedo, Valley,  
Jenice, Walnut

Area 3  
Forest, Jefferson,  
Jordan, Townsend,  
Tulsa, Twinbrook

..... Dial first two letters of  
central office name  
"SL" followed by listed  
number.

From all other DETROIT  
Central Offices .....

Dial "OPERATOR"

When number is not listed  
in directory .....

Dial 411, Information  
and indicate person  
and place you wish to  
reach then place call  
as shown above.

From ROYAL OAK .....

Dial first two letters of  
central office name  
"SL" followed by listed  
number.

When number is not listed  
in directory .....

Dial "OPERATOR"  
and ask for Center  
Line Information. Give  
Information name of  
person and place you  
wish to reach. Then  
place call as shown  
above.

## THE DIAL TELEPHONE

### CENTER LINE A CALL

number from this directory  
if the number you wish to call is not listed,  
for more information.

Lift the receiver and if you have a party  
line, listen a moment to make certain that  
the line is not in use. If the line is being  
used, replace the receiver carefully and wait  
a few minutes before attempting to make  
your call again.

If the line is available, you should soon  
hear a steady humming sound . . . hum-m-m  
. . . the dial tone. Be sure to listen for the  
dial tone before dialing, otherwise you may  
get a wrong number. If you do not hear  
the dial tone immediately, please wait for  
it, as the dial tone is the signal that indicates  
the equipment is ready to handle your call.

**Notice that the letters on the dial are  
Black and the figures are Red.**

Then dial **FIRST TWO LETTERS** of THE  
CENTRAL OFFICE PREFIX, followed by  
each digit of the number you want in order,  
permitting the dial to return without inter-  
ference. If the return of the dial is slowed,

or speeded up, it may result in a wrong num-  
ber.

Suppose, for example, you wish to call  
SLocum 7-1046;

1. Lift the receiver and listen for the dial tone.
2. After hearing the dial tone, place your finger in the opening where you see the letter "S".
3. Pull the dial around until your finger strikes the finger-stop. Remove your finger and allow the dial to return to the normal position.
4. Proceed in the same manner to dial the letter "L" and the figures "7" "1" "0" "4" and "6" in that order.

When you have finished dialing, the bell  
of the telephone you are calling will begin to  
ring, unless the line is busy. The "ringing  
signal" will be heard in the receiver as fol-  
lows: . . . burrr . . . burrr . . . If the line is  
busy, you will hear the "busy signal", a buzz-  
buzz-buzz sound.

If your finger slips from a dial opening, or  
you make any other error while dialing, hang  
up and, after waiting a moment, listen for  
the dial tone and dial again.

### WHEN AN EMERGENCY REQUEST INTERRUPTS YOUR CONVERSATION PLEASE HANG UP QUICKLY

If your party-line neighbor comes in on  
the line and says, for example, "My house  
is on fire", please give up the line without  
delay. Remember, it may mean the saving  
of both life and property.

# DETROIT DISTRICT EXCHANGE

The entire territory represented by the map shown on this page is known as the Detroit District Exchange. The Center Line Area is a Zone of the District Exchange. Calls between this zone and the other zones shown on the map are interzone calls.

Interzone calls are charged for on a "Message-Unit" basis, the message-unit being a method of measurement. Factors such as length of conversation and the distance between the two points determine the number of message-units to be charged on such a call. With Extended Area Service certain interzone calls can be made without additional charge (see Extended Area Service on Page 4).

## Collect Message Service

Messages between two stations in different zones may be placed on a collect basis, that is, may be billed to the called telephone number, provided the charges are accepted at that number and the message rate is 2 message units or more.

The charge is 25c for a message with an initial period of five (5) minutes or less, and 5c for each additional minute or fraction. No charge is made for calls not completed when the called telephone does not answer or when the charge is not accepted.

**NOTE:** The above rates were in effect at the time of issuance of this directory. They are subject to change by order of the Michigan Public Service Commission.

### LONG DISTANCE SERVICE

#### "DIAL 211"

#### STATION CALLS

A Station call is one on which you ask the Operator to connect you to a distant telephone without specifying a person or extension.

To place a Station call, tell the Operator the name of the city and the number of the distant telephone. If the telephone number is not known, give the name and address under which it is listed. For example, "Blanktown, Iowa, Main 2544." Or, "Blanktown, Iowa, the residence of Mr. John Doe, 2664 Elm Street".

Station calls cost less and are better if you are reasonably sure that the one you want to talk to will be available. Charges on Station calls begin as soon as the distant telephone is answered.

#### PERSON CALLS

A Person call is one on which you specify that you want to talk to;

- 1—a certain individual, such as "Mr. John Doe", or
- 2—a certain department, such as "Purchasing Department, Jones and Company", reached through a private switchboard or
- 3—an extension telephone reached through a private switchboard; such as "Room 435, Excelsior Hotel."

Charges on Person calls begin when the person you named, or a substitute acceptable to you, is on the telephone.

While Person calls cost more than Station calls, they are generally better if you must talk to a certain person and you are not sure that he will be available when you call.

#### COLLECT CALLS

If you want the charges billed to the distant telephone, tell the Operator when you place the call that it is to be a "Collect"

Center Line, Mich.

call. She can then determine whether someone at the distant telephone will accept the charges.

There is no extra charge for Collect calls, except on Station calls with an initial rate of 25 cents or less.

#### NIGHT AND SUNDAY RATES

Reduced rates apply from 6:00 P. M. until 4:30 A. M. and all day Sunday, Christmas Day, New Year's Day, and Thanksgiving Day when the call is to:

1. A Michigan point, and the initial 3-minute rate is 45 cents or more on a Station call, or 65 cents or more on a Person call, or
2. A point outside of Michigan, but within the United States or Canada, and the rate is 40 cents or more on a Station call, or 55 cents or more on a Person call.

In determining whether the day or night rate is to apply, the time prevailing when the connection is established at the place where the call originates is used.

#### OVERSEAS SERVICE

Approximately 75 countries can now be reached by telephone. For example, you may call Amsterdam, Holland; London, England; Brussels, Belgium; Sidney or Brisbane in Australia, or Shanghai, China, and the cost will be \$12 for a three-minute conversation on week days. The Sunday rate to all of these cities is \$9.

An overseas call goes by wire to a radio-telephone station on the coast, across the ocean by radio, then by wire again to the person you are calling.

Just dial 211, Long Distance. She will be glad to assist you in calling overseas, or other foreign points.

## MOBILE TELEPHONE SERVICE

Mobile Telephone Service provides a means of transmitting calls to or from moving vehicles, such as automobiles, trucks or boats. Each mobile telephone has its own number. Conversations to and from vehicles equipped with this service travel part way by regular telephone wire and part way by radio channel.

All mobile telephone calls are handled by the Mobile Service Operator. After reaching Long Distance, ask her for the Mobile Service Operator when calling from a land telephone.

If you wish further information about mobile telephones, call your Business Office.

## DIRECTORY ACCURACY

Every effort is made to compile and print this directory as accurately as possible; however, despite care and attention, errors sometimes occur.

Please check your listings when you receive a new directory. If your listing is incorrect, notify the Business Office at once so that we may change our records and do

whatever we can to protect your service in the meantime.

The Company assumes no liability for damages arising from errors, or omissions in free listings. Its liability, in the case of paid listings, does not exceed the charge for such listings during the life of this directory.

## ATTACHMENTS TO DIRECTORIES

To insure the usefulness of the directory, no attachment, holder or auxiliary cover, except such as may be furnished by the

Company, shall be used in connection with any telephone directory furnished by the Company.
