The world needs a code of conduct for all humans.
 Wise men have stated the best is:
 Don't do to others what you
 would not want done to yourself.
 Do as you would want to be done to.
 Cause no harm to another

 We should make that the code and the

I don't want free healthcare;
I want affordable healthcare.

I don't want money for nothing;
I want the opportunity for a good job.

I don't expect every election to bring the result I want;
I just want my vote to count.

BIG OIL GETS A 5800% RETURN ON EVERY DOLLAR IT SPENDS ON CONGRESS

HOW IS YOUR 401K DOING?

During 2009 and 2010, Big Oil, Gas, and Coal spent \$347 million in campaign contributions and lobbying Congress. They got back \$20 billion in subsidies. See priceofoil.org for more info.

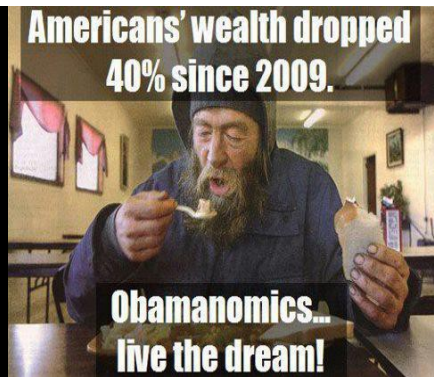

This is Walmart's CEO, Michael T. Duke. Mr. Duke is granted an annual compensation of \$17.6 Million

- * This is equal to \$1,466,667 monthly**
- * His weekly pay is \$338,462**
- * His hourly wage is about \$8,461**

Many Walmart workers are paid minimal wages, so they qualify for public assistance.

Why are American tax payers forced to subsidize Walmart?

I wonder when the media will report that while Hostess was trying to cut Bakers' pay by 8% and benefits by 32%, their CEO gave himself a 300% raise.

Nine Hostess executives received 60% to over 100% raises, while filing for their second bankruptcy.

Meanwhile, they stopped paying into the employees' pension, owing them over \$160,000,000.

But, yes... let's blame the 18,000 workers making less than \$20 an hour for the fact that Hostess had to close their doors.

THERE IS A DIFFERENCE

The CEO of Goldman Sachs is telling the American people to lower their expectations for benefits from Social Security, Medicare and Medicaid so that he and his wealthy friends can keep their tax breaks. Just think about the arrogance of these guys on Wall Street who were bailed out by the middle class of this country when their greed nearly destroyed the international financial system and now they lecture the American people about the need to cut programs for working families who are struggling because of the recession they caused. Maybe the CEOs on Wall Street should lower their expectations before working folks lower theirs.
