

The following CLHS and SCHS classmates may or may not be deceased. Because they have only been reported by other classmates. I am a volunteer and do not have time to locate death records. As the old Center Line historian I have been requested to create this handy but very sad list. Additions to wecare@dogoodforall.today (look under S for seniors) signed old Professor Wesley Arnold who will soon be on this list himself. This list is not complete as some classmates moved out of state. This is public information available from death records. -50 paragraph lines gives **1244 names revised Jan 22, 2024** Order: Last name first class married name rdc = reported deceased

Poslajko, Steve 76 rdc May 18, 2010 cancer at home Troy on 51 years . He loved his work at Chrysler, had an incredible work ethic and took great pride in his work as a precision toolmaker. Steve loved all his dear friends. Some were kids from the old neighborhood, some work pals, some golf buddies, others that just gravitated toward his warm nature and great sense of humor...Steve was the king of one liners. He adored dogs and his nieces and nephews. Steve was an avid fan of sports. He played hockey, baseball and golf with the passion and competitiveness of a professional athlete. Golf became his favorite and he was really a gifted golfer (he hit two hole in ones in his life). Steve loved classic cars and joked that his best relationship was with his 1968 Dodge Charger. Steve was a magnificent person, proof that ordinary people can live extraordinary lives. He was loved beyond measure and his friends and family will miss him with all our hearts, every day, until we see him again.
