

# Scouting

Since 1910 scouting has helped boys and girls learn decent values while also learning survival skills, practical knowledge, leadership skills, community and occupational knowledge. Scouts and scout leaders have saved hundreds of lives, improved neighborhoods and provided needed service to our community.

## EAGLE SCOUTS

As an Eagle Scout project Mr. Kenneth Szfranski raised the money installed the pole, and is pictured raising the American flag for the first time at the Arthur J. Miller Branch.
